Five cents Milk Shake at Lockert & Reynolds. 2t

The Latham Guards of Hopkinsville have made peace among themselves, and the colored troops are left in the shade.

Messrs. Clay Long and John Manson were in the city Wednesday. They are Democrats—real oil from the can.

The Cincinnati Enquirer of June 8, reports the marriage of Jesse B. Carter and Miss Esther A. Thexton both of this place.

One old Democrat writes us: "I subscribe: 'Yes, as long as you oppose Colyar and protective tariff,' but otherwise, count me, No."

ELDER B. F. Coulter of Los Angeles, Cal., will preach in the Christian church Sunday morning and night. All are cordially invited to attend.

The residence of Mr. Horace Wells in Elkton was burned Thursday night of last week, with all the furniture and family clothing. No estimate of the loss is given.

S. E. JONES, the man who made the first cannon in Tennessee for the Confederacy, died in Nashville Sunday night. He was a Knight Templar and a very devoted Mason.

The river has been rising during the past week and is now in excellent steamboat order. The Drouillard & Nashville came up side by side yesterday afternoon.

JOHN RICE is now in charge of Dunbar's Cave, and that is sufficient. All parties from Kentucky will find him O. K., and ready to make them happy. John stays at the Cave.

BACKACHE, stitches in the side, inflammation and soreness of the bowels, are symptoms of a disordered state of the digestive and assimilative organs, which can be corrected by the use of Ayer's Cathartic Pills.

M. C. SHELTON, who lives in Todd county close to the line of Logan and Robertson, between Hadensville and Keysburg received \$15.50 for a hog's-head of tobacco Tuesday. The sale was made by Adams, Gill & Co.

A party of young ladies and gentlemen from Trenton, Ky., visited Dunbar's Cave Tuesday. They enjoyed the visit greatly, and contemplate coming again very soon. John Rice was with them—and, of course, everything was lovely.

JOHN HUMPHRIES caught a 19 pound channel cat this week, on a pole and line in the Cumberland. This is no made-up fish story either; for we saw it weighed on Kendrick, Pettus & Co's., scales which are standard.

THE Fairview district in Todd County, Ky., where Hon. Jefferson Davis was born, still keeps its reputation as a place to raise premium tobacco. The house of Adams, Gill & Co., of this city, have made sales of Fairview tobacco at \$15.25, 14.00, and 13.25. Verily, "there's life in the old land yet."

FRIEND Brighurst of the Franklin House is always clever, but we have thought still more of him since we accepted his hospitality at dinner Tuesday. The dinner was all that could be desired, and the raspberries were as fine as ever ripened in the sunshine of June.

THE tobacco sales opened Monday with a good attendance and spirited bidding. On Tuesday the rush was much greater and a buoyant market was evident by inspiring to both planters and buyers. The sales have been large during the week and all parties appear satisfied with the ruling prices.

MR. A. V. GUERRIN, a merchant and much esteemed citizen of this city was dangerously wounded Saturday night by Jeff Lever who struck him with a rock. Mr. Guerrin's skull is fractured and his injury may prove fatal. No cause is known for the attack and Lever escaped arrest.

A sound body and a contented mind are necessary to perfect happiness. If you wish to possess these, cleanse your blood with Ayer's Sarsaparilla. It is perfectly safe to take, and is a thoroughly reliable, highly concentrated, and powerful blood purifier.

Capt. Tharpe is commander of the Clarksville and Paducah packet fleet. Capt. Ryman commander of the Nashville, Clarksville and Paducah packet fleet has been in town this week looking after the interests of his Cumberland greyhounds. (Our reporters account will be understood by all river men.)

PACE & BURNEY advertise their livery stable in to-day's paper. Their location is convenient to the Court House and they give personal attention to the accommodation of their customers. Farmers coming to the city can have their horses carefully attended to at very small cost. We solicit for this clever firm a fair share of public patronage.

MR. GEO. W. BURTON, of Fredonia, and Miss Lillie B. Jackson, of Cheap Hill, Tenn., were united in marriage at the residence of the bride's uncle, Tuesday, June 7th. The bride is a daughter of Mr. Thomas Jackson of this city. The groom is a merchant of Fredonia, Tenn., and is a highly respected and leading citizen of that place.

We are informed by an old soldier that at the Unveiling of the Confederate Monument at Hopkinsville there were represented a great many brigades of the Confederate army. Forrest, Wheeler, Helm, Polk, Hardie, Stonewall Jackson, Cheatam, Cleburne, Hartranft, Breckenridge, Archie, Pender, A. P. Hill, D. H. Hill, Roper, Early, Gordon, Buckner and many others were represented in the line of march.

On the evening of Decoration day in Burlington, Iowa, I heard T. M. Tuttle make a furious speech—scattering talk—That long-legged waiver of the bloody shirt don't know the war is over and ended. Ever since the fight at Fort Donelson he has been mighty badly skewed. If that old roster lived in Kentucky he would not vote for Gen. Buckner, nary time, you bet!

BENEFAGAN.

MISS LUCY MOORE ADAMS, daughter of Mr. Richard N. Adams of Todd county died at her home on Sunday June 5th. She had suffered long and her suffering was borne with that patience which was only one of the amiable traits of her meek and pure character. No one was ever more loved by parents and friends, and tears will fill the eyes of many of her young companions when they recall the name of the good and pure Lucy who is gone.

Base Ball.

Clarksville is abreast of the times in everything except an entertaining out-door sport. The Clark base ball club recognizing this fact has reorganized with the following players: P. Jackson, P. Slattery, E. Moore, B. Woods, H. Beaty, J. Moss, J. Slattery, W. Moore, I. McManus. They are in communication now with several good clubs, and some splendid games will be played.

Encourage the boys by turning out in full force.

SUMMER has arrived—and brought her thinnest garments. The thermometer is 90 and the rise—the colored race indulges now in picnics, baptisms and other amusement—the festive fly attends all the 11 o'clock singings—the granger smiles as Tom Hyman knocks off his tobacco at \$10.40 all round—the college boys are reaping their reward and encircling the best part of the community in their embrace—the CHRONICLE printers sing as they "set 'em up" recording the progress of the city in all its department—the bankse are furnishing plenty of money to editors and other stockholders—the followers of the cold water saints are having ground-swells in the rural precincts wherein the "cullud brother" addresses "the white element of our population" and the amusement is generally reported as amounting to a great deal of cry and mighty little wool, as the devil remarked when he sheared the hog.

Clarksville Ahead.

Kendrick, Pettus & Co., of the Central Warehouse of this city sold Thursday one hog's-head of tobacco for \$20.75 per hundred. This tobacco was prized by Sewell Bros., Pleasant View, Cheatham county, and was purchased by Mr. J. Kropp. This beats Hopkinsville's best sale which was Mr. George Shaw's crop, sold for \$20.00.

The Bailey Warehouse also sold one hog's-head for \$18.75, which was bought by B. K. Gold. This hog's-head was raised by William Rowland, of District No. 19, Montgomery county.

TWENTY-SEVENTY-FIVE takes the premium.

THE Cumberland is flush and boats are bringing more trade to Clarksville.

An interesting report of the Howell School exercises is crowded out this week.

The next session of the University will commence on the first Wednesday in September.

THE exercises of the colored school at the Hall Thursday night were largely attended and very satisfactory to all who were present.

SUBJECTS at the Cumberland Presbyterian church next Sabbath: 11 a. m. Jewish success. 8 p. m. Source, Adaption and application of our supply. D. A. BRIGHAM.

THE World's Balloon from St. Louis is expected to pass Clarksville to-day. Of course, an enterprising balloon going South would come by Clarksville and then go to Florence Ala.

M. C. PITMAN & E. B. ELY, have contracted for the Irvin lot on Franklin and First streets. This is said to be the highest priced lot ever sold in Clarksville by twenty-five per cent, and susceptible of being made the best paying business property by one hundred per cent.

THE Shakespeare Club will meet Monday night, June 13th, at Mr. Clay Stackers. Miss Wallace, Mrs. Byrne, Miss Faxon, Mrs. Stacker, G. M. Bell, Miss Mattill, Miss Hendrick, Miss Jordan, Miss Herring, Miss O'Brien, Mr. Munford and Mr. Bell are appointed for analysis of the play selected.

Mrs. ZALINE FAUCHE, of New Orleans died suddenly of paralysis of the heart, at the Franklin House in this city Thursday morning, in the 60th year of her age. Mr. and Mrs. Fauche and their two daughters had come to spend the summer in Clarksville. The burial will take place in Greenwood Cemetery to-day.

MR. R. H. STRATTON died at his son's residence in Gordonsville, Virginia on Saturday, June 4th. He was born in Virginia in 1814 and came to Clarksville in the interest of Life Insurance in 1870. He was a life long member of the Christian church and possessed the noble qualities of head and heart that constitute a Christian gentleman. He suffered a stroke of Paralysis on the 24th of May from the effects of which he never recovered. He was the father of our townsman Mr. M. A. Stratton and Mrs. John Coulter.

Wednesday evening after the closing exercises of the Southwestern Presbyterian University, the Alumni association had quite a full and interesting meeting. The following officers of the association were elected for the ensuing year: Rev. J. H. Boyd, of Winona, Miss., President; Jno. W. Faxon, Clarksville, 2d Vice President; Rev. J. G. Patton, of Nashville, 3rd Vice President; James T. Wood, Clarksville, Secretary; F. G. Gilbert, Clarksville, Treasurer; Wm. D. Mooney, of Culleoka, Tenn., was unanimously elected as the alumni orator for next June.

AND now after the Desperate-Duncan-Dynamite-Development and the side-splitting farce has been retailed all over the State. Archie Thomas, editor of the 'Springfield Record, comes out and says: "To this day we have not heard a single man say that the dealers had anything to do with it."

The game, at best, was not worth the candle, but Archie lost the opportunity of his life when he failed to announce in the most solemn corner of his paper:

"Duncan is in his grave.
After life's first fever (and ague)
He sleeps well."

CLARKSVILLE is always at the head of the procession, and this week is not only the front brigade but has thrown out skirmishers still further in advance. These skirmishers are the college boys who have been trained in our University and have now gone to their homes in Kentucky, Mississippi, Louisiana, Texas and the entire South telling their people the good points of Clarksville.

Our race horses beat the Hoosier's at Terre Haute and our boys brought the stranger's shekels home with them. Our college boys beat the world in speaking—Evergreen Lodge grows brighter flowers than Valparaiso—and when that ambitious village on Little River attempts to compete with our buyers on tobacco they get beat just as bad as the steamer City of Clarksville beats a ferry boat. Verily, in the language of Brer Jasper of old Virginia: "The Sun do move."

I HAVE a desirable lot of four acres in South Clarksville, near Mr. Westenberg's which I will sell low. Apply to Aug 11/87 JOHN RICK.

ONE of the CHRONICLE printers remarks that our Erin editor's story of the drill and the blow up sounds some how familiar, like a Twain-told story.

THE Tennessee Tribune very solemnly remarks that "death will add very little to Wheeler's obscurity." Sic Semper, 8 to 7.

Scriven's Patent Elastic Seam

DRAWERS

These Drawers conform strictly to the outline of the figure when standing at rest, and give ease and comfort, and are without that tightness of feeling necessarily produced by other garments.

One of the peculiarities of these Drawers is that the seams only being elastic, they allow a remarkably easy action in walking, as all the friction caused by motion is at once transferred to the seams, while the main fabric of the Drawers is allowed to retain its shape and position. Are provided with an improvement consisting of an Elastic Insertion at the inner and outer seams, which gives elasticity in movement and comfort in fit. The Drawers are cut in figure outlines and afford the wearer all the advantages of knit goods while retaining the superior comfort of woven fabric. The Patent Elastic Seam, which contains no rubber, retains its springiness, and wears longer than the other portion of the garment. It makes the Drawers conform to the position of the wearer, and avoids any strain, no matter what attitude the body assumes.
